Ways & Means

Cartrina Meredith

- **Mumkin Sale Wrap Up** \$10,509.50 profit. There are still 2 orders in front of school, awaiting pickup (multiple reminders). There are replacement mums from the company that we didn't need. We can keep, donate, or sell.
- **Fun Run** Over \$50,000 raised. We are waiting for approximately \$1,500 to still come in. Royal Fun Run will be held on 10/14/22. Prize bag stuffing will be on 10/12/22. We had 28 students reach the top tier. PTSA purchased extra t-shirts in case students, teachers, or volunteers still need one. Amy Brossart mentioned going forward, for handing out items from the PTSA, she requested a list of last period classes for Middle School students.

Hospitality

Elizabeth Mozea

- **Santa Shop** 12/12-12/16 during the school day and also evening of 12/14 during Holiday Program. Elizabeth Mozea will reach out to NHS for volunteers. She will begin signing up teachers by November.

Items will be delivered Friday 12/9 and get into school Sunday 12/11 to set up. She will do her own sign up genius for volunteers and get background checks for them.

Programs - Events

Karla Meyer

- **Movie Night and KY Kids Day Wrap Up** Went great!!! Low turnout, possibly due to homecoming night, but positive feedback regarding the larger screen and food trucks.
- **Halloween Treats** PTSA purchased rice krispie treats for all students. Skyline donated bags and Texas Roadhouse donated free kids meal coupons. They will go in teachers' mailboxes by the Friday before Halloween.
- **Holiday Program** "Happy HulaDays" theme. Decor ideas include grass skirt table, limbo, candy cane flamingo craft, etc. We will reach out to Pat Bunch to see if her husband can help as Santa again (this time Hawaiian Santa). Amy Brossart will reach out to see if Home Depot will donate kids crafts.

Volunteers

Melissa Martz

- For the Fun Run, volunteers do not need to check into the office, just park in the front and walk around the back. Melissa Martz has communicated the names of volunteers to the front office secretaries.
- Send any additional volunteer hours to Melissa Martz, if outside of the sign up genius hours.
- Please send any volunteer requests to Melissa Martz with enough time to perform background checks.

Spirit Wear

Michela Pfaehler

- Sale ends 10/19. So far 70 items sold, 13 of those are "specialty" items. Spring sale had roughly 100 items sold.
- The store will remain open after the sale window for screen print items.
- Next year Michela Pfaehler would like to start early, before the back to school night.

Open Comment

- Amy Brossart met with Officer Bennett and discussed the school safety needs. Katie Ockerman volunteered to work with Amy Brossart on this project.
- Playground update: Still waiting for a total cost on the playground project, but if additional funds are available, we would like to look at adding a shed in the back area to house new playground balls and equipment for all kids to use.
