

Welcome Summit View's Popsicles with the Principals!

My name is Amy Brossart and I am the PTSA President here at Summit View Academy. Along with the rest of our PTSA board, I'd like to thank you for being here tonight. Parents are so important to a school's success, and the PTSA is a key way that parents can support our school.

Now, by "support," I'm not just talking about fundraising. Yes, we raise money for chrome books, classroom materials, student programs and more, and you'll be hearing more from us about that as the school year gets under way. But we also organize great family events like our movie nights, skate nights, and ice cream socials. And we support school staff members with our grant program and staff appreciation efforts.

If you're looking for a way to get involved at school, we can help. We have moms, dads, grandparents, and other family and community members who help us out. Our volunteers are not only in the classroom and at school and ptsa events but also at home. Any amount of time you can give is great, whether it's two hours a year or two hours a week. Whatever works best for you, we can make it work, and it is greatly appreciated by the board, the school staff and the students.

If you haven't already joined our Facebook page, please do! There is a QR code at the concession table that can be scanned. This is a great way to allow us to keep you informed about events and volunteer opportunities.

We have handed out copies of the 2022-2023 proposed budget. We will give you a few moments to go over those if you have not already had a chance. As you can see, we have a new playground in the works with the money raised from last year!

We do have our membership table set up this evening if you have not had an opportunity to join yet; please consider doing so.

Now, back to business--

After reviewing the Treasurer's Report, do I have a motion for approval? Billie Overman motioned to approve the budget.

Do we have a second? Kim Glick motioned to approve as second.

Those in favor, say 'Aye' (pronounced EYE) Those opposed, say 'No'

The Ayes have it and the motion carries. The 2022-2023 budget has been approved.

*Enjoy your popsicles or ice cream. Grab some chalk and write a kind, welcome back message to your children, students, or classmates.

Thanks again for being here tonight. We look forward to getting to know you this school year!
