Treasurer Report

~ Fun Run, Spirit Wear, and membership dues were the majority of the monies going in and out of the account. Fun Run collected pledges are about \$30, 000 with a little over \$2,000 in uncollected pledges.

Stephanie Wagner

Ways & Means Report

~ Suggestion made to use pledgestar again next year for the fun run, but to not have the pledges per lap option as those were the majority of the unpaid pledges. Suggestions made to company to prompt a sponsor now button when registering the students.

~ Kroger rewards have made a significant increase. We started with 96 families enrolled bringing in \$717, increased our families enrolled to 151 and had \$1046 in community rewards this quarter. Plans to continue promoting this avenue of money being brought in for PTSA.

Sandy Shoemaker

~Spirit Wear

There will be a pick up date scheduled for the current spirit wear orders that are being processed. Date to be determined.

Programs - Events

~Royal Store

The royal store is up and running. Launch date scheduled for the December 3rd staff meeting.

~Santa Shop

Sign up genius will be going out soon to teachers to schedule their shopping times along with reminders that they can earn Royal bucks for getting 5 parent volunteers.

~Holiday Program

December 5th, Candy Land theme. A good amount of the decorations were purchased for very cheap. Requests have been made for donations for water and for cookies/cupcakes. The stations have all been assigned to people that volunteered to work on those specific areas.

~Winter Fest

There is still no guarantee for the date, so by vote of those in attendance Winterfest will not take place for this year. PTSA will focus on a spring event and a recommendation was made to try and rotate the large family event each year from the Winterfest to a Spring event

~Spring Event

Revisiting the possibility of a family dance/spring event. Rachel had wanted to coordinate this, so we will meet again to discuss planning. Possible date would be 4/17/20. Suggestions to have the games and activities at this event.
