Back to School Newsletter

Hello Royals Family,

Welcome to a new year of school and PTSA. As we start the year, it is important to remember that our main focus is to support and protect our students at Summit View Academy. Our PTSA serves a vital role in supporting our school community, and that role has only become more important. It takes creativity, ingenuity, and flexibility, but with your support, we can make this school year the best one yet. Whether you are a seasoned SVA family, or this is your first year with an SVA student, we want to thank you for any past contributions, time, or commitment to our community, our organization, our teachers and most importantly, our students!

As a member of the SVA PTSA, you serve as a voice for our students and part of the largest child advocacy program in the world. It is such a rewarding experience! We encourage each one of you to become a part of our team. The number one reason to join the PTSA is to benefit the children, but there are many more advantages:

- You gain valuable experiences by volunteering with PTSA. It's an opportunity to put your skills and hobbies to good use for a great cause while meeting other parents and teachers.
- When you get involved, you are a part of the solution, helping to make positive changes.
- The PTSA is a forum for exchanging ideas. Attend PTSA meetings throughout the year to make suggestions while providing important input.

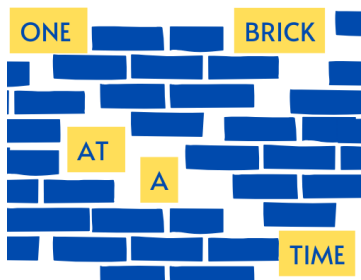

We are looking forward to continuing the working partnership we have established with Summit View's amazing and invaluable administration, teachers, and staff to provide an excellent learning experience for our children. If you have any ideas or would like to help in any way, please contact us at summitviewptsa@gmail.com, or join us by attending an upcoming meeting. Never hesitate to reach out to us.

Thank you and have an amazing year.
