A big thank you to Joshua Koch for organizing and raising money to purchase a new fridge for the middle school teacher lounge! Thank you to all of the families that donated and helped make this happen.

SVA PTSA uses funds raised for teacher grants each year. One grant this past year was a request to create a relaxing, at-work getaway, lounge area for the Royals Staff. This space is to help re-energize staff and provide a quiet area to escape stress and stressors in the daily life of the teachers at SVA. Our PTSA committee of volunteers has worked overtime to fully transform the space.

We would like to give a huge thank you to the many parents who donated their time or breakfast items, Gary Williams Martial Arts for their generous donation to help fund this project, and to Your Choice Wholesale for providing us with great prices on furniture and decor.

Get involved with PTSA!

The PTSA has an open board position for the VP of Membership. Make a big, direct impact on the SVA community in this dynamic role. If you or anyone you know may be interested, please contact Amy Brossart at president@svapta.org.

Not ready to take on a board position, but still want to get involved? There are plenty of volunteer or committee roles available for you. Contact Michele Wisher at volunteer@svapta.org.

Interested in joining PTSA?

As a member of the SVA PTSA, you serve as a voice for our students and part of the largest child advocacy program in the world. It is such a rewarding experience. Your \$5 membership dues help support and assist the wonderful staff at SVA as well as various programs throughout the year.
